About The Group

Our Story

Alpha Consulting Group is a Saudi professional firm established in 2014. It provides integrated quality consultancy and professional services in the fields of finance, accounting, and management.

In 2021, the Group acquired a licensed professional firm specializing in accounting and auditing, as well as another professional firm in the field of business valuation. These acquisitions formed a unified entity offering a wide range of comprehensive professional services.

The Group is supported by a qualified team with extensive experience and holds more than twenty professional licenses. It is committed to meeting the needs of its clients both within and outside of the Kingdom of Saudi Arabia, with a strong focus on building strategic relationships that help clients achieve their goals.

We work to provide our integrated services through ambitious national talents, aiming to achieve sustainable growth for our clients.
